***\*\*\*The concession and gate money is a very important part of our fundraising effort to support the baseball program. It is very important that we keep these roles filled for all games. We are also expected to pay for any food or drink items we consume while working in the concession stand.***

***\*\*\*Reminder: Your deposit check will be held for the season. You will be held responsible for your assigned shifts or you will forfeit a portion of your deposit.***

***\*\*\*The schedule will be posted online at [www.brookingsbaseball.com](http://www.brookingsbaseball.com) should you misplace your copy.***
